EXPERIENCE

July 2015 - Present

IT Quality Assurance Specialist • Hennepin County

April 2014 – June 2015

Quality Assurance Intern • Student/Laborer • Hennepin County

- Ensure test cases developed are clear, repeatable and traceable to the requirements
- Create and execute test data, cases and scripts to support System and User Acceptance Testing (UAT)
- Define and help create the System and UAT environments
- Utilize and support the use of a Defect Tracking tool to enter information about software bugs or unexpected results per the test plan
- Analyze and investigate issues with Broker Integrations

Scrum Master Experience

Enthusiastic ScrumMaster. Have worked in Agile environments as a Quality Assurance Analyst for over 5 years. I've worked with two Scrum teams and have filled in as Scrum Master on several occasions. Proven history of successful work with cross-functional teams.

Certifications:

- Certified Scrum Product Owner
- Advanced Certified ScrumMaster
